Re: Request for extension in MUR 6225

Dear Mr. Jordan and Ms. Collins:

On behalf of Friends for Shurtleff, Inc., Shurtleff Joint Fund, PAC for Utah's Future, and Guidant Strategies, LLC, I respectfully request an extension of time to respond to the complaint filed in the above-referenced matter. The complaint makes certain vague, wide-ranging allegations that will require the respondents to review an extensive number of transactions and activities over the last year or so. Accordingly, an extension of 30 days is requested. For your information, while the complaint was received by the first two respondents listed above on Nov. 5, and by the third-listed on Nov. 6, it was not received by Guidant Strategies, LLC until Nov. 10th. (Pursuant to our discussions, I am aware that the designation of counsel form of PAC for Utah's Future has not yet been received by your office. It was mailed several days ago, so it should appear soon.)

Thank you for your consideration of this request. Please advise me as soon as a decision has been made.

Sincerely,

Scott E. Thomas
